REMARKS

50X1-HUM

Between 2 and 6 p.m. on 6 September 1951, 30 MiG-15s in six formations practiced formation flying over Alt Loennewitz airfield. * The airfield itself could not be observed because of a wooden fence 3 meters high along the southern edge of the installation. 50X1-HUM

crates with jet fighters continually arrived by rail. **

50X1-HUM

* Comment. the airfield is occupied by two fighter regiments and the division headquarters of the fighter division concerned. The third regiment assigned to the division is stationed in Dessau. 50X1-HUM

** Comment. The aircraft, probably MiG-15s, which continually arrive at the field, are probably replacements. The present report does not indicate that the occupation of the field has changed. 50X1-HUM
